Items that have been through committee and have consensus of the committee may be placed on the Board of Managers' Agenda. An action by this Committee approving or adopting a matter does not constitute, nor should it be considered, a final vote or action on the matter, which may only occur by formal action taken by, and at a meeting of the Board of Managers. The approval or adoption of a matter by the Committee merely constitutes a method for matters to be brought to the Board for its consideration.
